

AMENDMENT NO. 1 TO THE NOTICE OF RACE

The Notice of Race dated October 29, 2015 is hereby AMENDED as follows:

Paragraph 2.6(b) is DELETED and REPLACED with:

RRS 41, OUTSIDE HELP, RRS 41(c) will be changed to read as follows: "Help in the form of information freely available to all boats and any publicly offered internet or broadcast weather information from sources available to all competitors, whether on a subscription or free basis, is allowable. This shall include navigational, weather, tide or current information from any source which is available to all boats whether or not by payment of a fee or subscription, but shall not include any information gathered, or the subject of interpretation by, or any advice received from, any human being not on board the boat and which is specific to the boat and her situation. By way of example and interpretation, downloading charts, weather and/or GRIB files from subscription services, or having such information passed to the boat in its pure form, is permitted, but receiving messages or information which is the result of human interpretation as it applies to the boat is not permitted. Competitors may use any means to retrieve the data. Accessing other information during the race will be considered a violation of RRS 41.";

Paragraph 6.1(e) is MODIFIED to add: "Note that ORR now permits yachts to be measured with both centerline asymmetrical spinnakers and a whisker pole for sheeting jibs. ORR does not, however, permit a whisker pole declared for this purpose to be used to tack or sheet a spinnaker."

Paragraph A4.1(a) is moved to 7.11(a), and paragraphs 2.7, 4.2(c), 5.3(a), 5.3(c), 12.1, 12.2, 13.2, 14.2 and 15.4 have been reworded without substantive change. All instances of "ISAF" have been replaced with "World Sailing."

An amended Notice of Race incorporating these amendments and dated today will be published on the race website.
