

Notice to Competitors:
List of compliance with requirements for current World Sailing ID numbers and Group classifications
As of June 8, 2018

All crew in St. David's Lighthouse, *Finisterre*, and Double-Handed divisions who require Group 1 status to satisfy the Notice of Race pertaining to their division or remain eligible for Corinthian trophies must enter in Sailgate a current World Sailor ID with expiration date not before June 23, 2018. **Please review the entry list (beginning on the third page) as of June 8, 2018 to be sure your ID is entered and current. Those marked in red are deficient in some way.**

Boats in the St. David's Lighthouse or *Finisterre* Divisions with crew lists that do not satisfy NoR 7.4 or 7.5 (which limits the number of sailors without Group 1 classification per boat) must take immediate action to avoid being moved to a different division or protested.

Sailors in the St. David's Lighthouse or *Finisterre* Divisions without a valid Group 1 classification on Sailgate are prohibited from steering in this race. See NoR 7.6.

To obtain or renew your Sailor Classification:

- Visit <http://www.sailing.org/classification>
- Click on "Click Here To Obtain Or Renew Your World Sailing Sailor Classification" which is set within a blue bar with white text near the middle of the page.
- Select your language
- Login using your ISAF or World Sailing Sailor ID
- If your email address has changed, you may need to register with a new email address
- Verify your personal contact information by ticking the boxes highlighted in red; then click Next
- Answer all of the questions posed and click next
- **Your application is not complete until you see a button labeled "Submit Application"**

Moments after you have submitted your application for classification, you should receive an email containing your Sailor ID. A sailor ID is typically your country's abbreviation, the first initial of your first name, the first initial of your last name and a number.

Make sure your correct Sailor ID is entered in Sailgate:

- Visit <https://nbr.sailgate.com>

- Login
- On the left side of the screen, click Settings
- Click Miscellaneous
- Your ISAF Sailor ID, expiry and classification group should now be displayed on the right.
- If your ISAF Sailor ID is not displayed or is incorrect, click “Edit misc info and qualifications”, enter your ISAF/World Sailing Sailor ID in the appropriate field and click Save.
- World Sailing provides Sailgate with updated information periodically, not immediately.

We will post an update to this list within 24-48 hours.

Best wishes,

Jonathan Brewin,
Newport Bermuda Race Chairman
