Address in Bermuda (if known):

Phone: _____

Please charge: MasterCard / Visa / RBYC Member Account #: _____

Number: _____ **Expiry Date:** _____ **CVV:** _____

Name on Card: _____ **SIGNED:** _____

Terms and Conditions of Berthing at the RBYC Marina for the Newport Bermuda Yacht Race 2020

1. A **DEPOSIT of \$500.00** is required at the time of reservation. This deposit is **NON-REFUNDABLE** except for withdrawals due to medical emergency, serious yacht damage or cancellation prior to 15th May 2020. Please note that berths will not be allocated if your credit card is declined or if the RBYC is given incorrect details at the time of booking.
2. If a yacht arrives at the RBYC Marina for berthing with a bowsprit of any design that has not been declared, the RBYC Marina staff may require the yacht to wait until a berth with sufficient length has been located (if possible).
3. **Each yacht is required to provide a contact name & number that is accessible 24x7 while the yacht is berthed at the RBYC Marina.** This contact will be used if there is an issue on the yacht or a requirement to move the yacht. Upon notification of such a requirement, the contact point for the yacht will ensure that appropriate steps are taken as soon as safely possible under the direction of the RBYC Marina Manager (or their designate).
4. Charges:
 - a. The standard charge for berthing, including complimentary Wi-Fi, security, water and use of the RBYC's facilities, is **\$5.00** per foot per day.
 - b. Catamarans will be charged at a factor of 1.5 x the standard rate and trimarans will be charged at a factor of 2 x the standard rate.
 - c. A benefit of RBYC Full Membership is a 50% discount on standard berthing charges throughout the year. Competitors interested in RBYC Membership are invited to contact the RBYC Secretary's Office at +1-441-294-6706.
5. The RBYC cannot guarantee that there will be a shore power outlet available for all yachts due to the large number of yachts in this event; therefore, shore power electricity will be available at the RBYC Marina on a first come / first served basis. Yachts are required to bring **their own shore power leads plus adaptors** if they would like power. Shore power options are 120v 30 amp or 120/240v 50 amp. Electricity use will be charged at **\$25/day per connection** connected to shore power.
6. **Yachts are required to bring their own anchors/ropes, lines and fenders.** It is strongly recommended that these items are suitably sized for your yacht and are ready for use prior to entry into the RBYC Marina. Due to the restricted nature of the facility, yachts should be prepared to provide lines and fenders for both sides of their vessel.
7. The RBYC will provide a RBYC Marina Berthing Guide as part of the information package for the Newport Bermuda Yacht Race 2020. This guide will detail the process by which yachts are to contact the RBYC Marina upon arrival to Bermuda and outline the expected plan to safely berth the yacht as expeditiously as possible. It should be noted that there may be delays in berthing during overnight periods, high winds and high volume. The RBYC Marina will remain in touch with all yachts to ensure that they are kept up to date on progress.
8. The RBYC provides dining and bar facilities as well as event merchandise. The RBYC accepts cash, Mastercard & VISA credit cards during this event.
9. The RBYC provides laundry, shower and bathroom facilities at the Club. Please do not discharge anything overboard (aside from washdown water) while in the RBYC Marina. Please note that it is now an offense to discharge sewage overboard within 500m of the shore of Bermuda and in all inshore marine areas.
10. The RBYC provides standard waste receptacles at the Club for the event. Please ensure that any waste is disposed of in the correct receptacles. If there is nonstandard waste (e.g. batteries or oils), please contact the RBYC Marina Manager to discuss appropriate disposal.
11. The RBYC reserves the right to the following at its sole discretion:
 - a. accept or reject any berthing reservation request

- b. assign berthing locations within or around the RBYC Marina
12. The RBYC accepts no liability for damage of any sort to, or theft from, yachts using their facilities. The RBYC also accepts no liability for personal injury to yacht owners, crew or their guests.
13. Due to other Marina requirements, the normal latest departure date we can take reservations for is **28th June 2020**. If for some reason there is a reason why a longer stay is required, please contact the RBYC Marina Manager to discuss whether the request can be accommodated.
14. Please note that you may not be able to depart earlier than your anticipated departure date depending on your berthing allocation and the ability to get your yacht safely out of the Marina without damage or relocation of other yachts. If there is an emergency that requires an earlier departure date, please contact the RBYC Marina Manager to discuss how the request can be facilitated.
15. For insurance purposes, all yachts moored at the RBYC Marina during the above event must be prepared to vacate their allocated berths should a gale or tropical storm warning be issued by the Bermuda Weather Service. It is strongly encouraged that the yacht crew monitor the progress of any weather systems in the area even after arrival. In such an event, the RBYC Marina Manager will notify the yacht's 24x7 Contact Point of the requirement to vacate the berth. The RBYC Marina Manager will endeavor to provide alternate anchorage suggestions if this should occur.
- In the event that the yacht is not removed, the owner will be held liable for any and all damage caused to the marina or any other vessel. The RBYC reserves the right to remove any vessel not so removed by the owner at the cost and risk to the owner.
- The RBYC accepts no liability for damages of any sort as a result of the above.
16. We require that you provide us with personal information so as to deliver our services to you and for such other reasonably necessary purposes. We will ensure that we collect no more personal information than is necessary for the services you have requested; that we will only use the personal information for the purposes of delivering those services to you; that we will not share your personal information with any individual or organization (unless required by law or in order to deliver the services you have requested); we will keep your personal information secure; we will retain the personal information only for so long as it is required for the delivery of the requested services and for such other reasonably necessary purposes (i.e. legal, insurance, internal audit etc.). If you have any questions about our use of your personal information please email accounts@rbyc.bm.

I agree to the terms stated in the attached Terms and Conditions of Berthing at the RBYC Marina:
