Clark, NJ 07066

## Imperative Logistics is pleased to offer a complete shipping service to Captains and their crew for the 2026 Newport to Bermuda event.

- Please complete and submit the attached form by May 15, 2026, to confirm the space in the containers. Early submissions are encouraged.
- The attached form is to be used only for goods to be temporarily imported to Bermuda and which are intended to depart Bermuda either on your yacht or with an associated crew member. Goods intended as gifts, for re-sale, or otherwise expected to remain in Bermuda require a separate Customs form and are not to be included herein.
- Pricing is USD 15.00 per cubic foot. This includes receiving at either location in Newport/Portsmouth, loading in container, US inland and sea freight to Bermuda, customs clearance in Bermuda, and unloading from container at site near Royal Bermuda Yacht Club.
- Payments can be made via credit card.
- You may contact the Imperative contact listed above directly to arrange payment for shipping of your cargo.
- Weight on the form is to be reported in kilograms (or “kg”) (1 kg. = .45 lbs.)
- Unit value is the number of individual items, **not** weight. (e.g. Two sails packed in one bag)
- Reported value is the fair replacement cost for goods of similar age and quality, in US Dollars (“USD”). (1 US Dollar = 1 Bermuda Dollar).
- “Personal Effects” refers to wearing apparel and articles for *personal* use while traveling. Value is to be reported as fair replacement value for items of similar age and quality. It is acceptable to combine the values for each individual shipping personal articles.
- Space in containers provided by Imperative Logistics is available on a first-come, first-served basis. Please complete and submit this form and make payment arrangements as soon as you can for a smooth transaction. Any forms received after May 15, 2026, could run the risk of space related costs.
- Bermuda’s Customs and Border Protection has been very gracious in accommodating the race and race participants with a simplified reporting format. Careful attention to proper completion of this information by captains is important both to this year’s race and to future race participants

## Yacht Transport Form 2026 Newport Bermuda Race®
