

THE STEPHENS BROTHERS SOCIETY 2024 CLASS

For “Youth” Sailors, age 14-23, Sailing in NBR ‘24

The Society has been created by the Bermuda Race Organizing Committee (BROC) to recognize accomplishments in “Youth Sailing” by NBR participants aged 14-23 inclusive as of the start of a race. In 2024 specifically, those at least age 14, not yet 24, as of June 21. The name commemorates the accomplishments of Rod and Olin who won their Newport Bermuda class and the trans-Atlantic Race in *Dorada*, both before they were 24.

Sailors 14-23 are eligible for the Society and may receive via their skipper a Stephens Brothers Society pin, pictured above. Each skipper successfully completing the race may nominate members of his crew by listing their names, ages on this form below, presenting it at the RBYC desk when checking in or subsequently **while in Bermuda. The Skipper will receive the appropriate number of Society pins at that time.**

The Stephens Brothers Society is open to all sailors in the race meeting the age criteria and aboard vessels crossing the Finish Line. This is **not to be confused** with the Stephens Brothers Youth Division Prize, requiring Special Entry, for vessels (not individuals) in which at least 50% +1 (rounded down) of the crew are 14-23. See separate details regarding that prize.

Skippers should complete **and deliver this form to the RBYC Duty Desk at check-in or while in Bermuda to receive Society pins at that time for Youth members of their crew. (Print out this form for completion and presentation at the RBYC Duty Desk. This is NOT e-submission.)**

Crew age 14-23 inclusive (at least 14, not yet 24) names, ages a/o NBR '24 Start Date June 21, 2024:

_____	_____
_____	_____
